ABOUT GARBAGE COLLECTION AT THE TIME OF WARNING ANNOUNCEMENT

【About collection of recyclable waste】

When the storm warning is announced on the day of collection at 5:30am, do not take garbage in the designated place. If the warning is announced after 5:30am, do not put garbage in the designated place as well. The garbage that has already been placed, that would be collected after the warning is released.

※Recyclable waste is accepted at the recycling station.

【About collection of combustible waste】

Do not put garbage in the designated place during the storm warning is announced. If the warning is not released by 8:30am, put garbage next collection date to prevent scattering due to leftover garbage.

Garbage will be scattered when a typhoon approaches even if the warning is not announced, so use the next collection date.
